

ANNUAL SPONSORED PROJECT WORKSHOP

November 15, 2017, 9:15 am – 3:30 pm (9:00 am Check In)
DMACC FFA Enrichment Center, 1055 SW Prairie Trail Pkwy, Ankeny, IA

Learn how to implement
SRF Sponsored Projects
in your community

WHAT WILL BE COVERED? The State Revolving Fund Water Resource Restoration Sponsored Project application process and requirements will be presented as well as the steps involved in assessing watersheds to define water quality issues and the selection of best management practices to address specific issues. Information will be provided on the project design and review process. Case studies will highlight completed Sponsored Projects. Time is provided for attendees to discuss their projects and interact with the speakers.

Visit the following website for details on Sponsored Projects: IowaSRF.com/about_srf/sponsored-projects-home-page/

WHO SHOULD PARTICIPATE? You should attend this workshop if your City or utility will submit (or is considering submitting) an application for an SRF sponsor project, has been approved to move forward in the SRF sponsored planning process or is currently involved in an SRF sponsored project. This includes City or utility managers, consultants such as design engineers and landscape architects, contractors, and Public Works staff that will inspect and maintain these practices. Other suggested participants include staff from Watershed Management Authorities, Soil and Water Conservation Districts, County Conservation Boards, and other organizations involved in water quality efforts.
