

CLEAN WATER STATE REVOLVING FUND GENERAL NONPOINT SOURCE INTENDED USE PLAN (IUP) APPLICATION

This application is for a General Nonpoint Source (GNS) project to be funded by a Clean Water State Revolving Fund (CWSRF) direct loan. Applications are accepted on a quarterly basis by the Iowa Department of Natural Resources (DNR). Once applications are reviewed and scored the project will be added to the draft IUP project priority list (PPL). Draft PPLs undergo a public comment period and then are approved by the [Environmental Protection Commission](#) (EPC). Quarterly IUP application deadlines are posted on the [CWSRF program website](#).

For further information on the GNS program, application, and project implementation process, as well as instructions on how to complete this application view the instructions for the GNS IUP application on the [SRF GNS webpage](#).
